

NJEIS IFSP Justification Review

To be discussed with entire IFSP team. Document discussion on this form.

Child's Name _____

Are there indications that the child's outcome(s) cannot be met in a natural environment?
If yes, please describe:

Have strategies or adaptations been tried to support the service in a natural environment?
If so, what were they?

Are there recommendations or guidelines (within the field or from an organization) that support the need for segregated services?
What are they and how do they apply to this child and family situation?

If there a reasonable plan for generalizing the skills learned in segregated settings into natural routines?
Is so, please explain:

Is there a plan for shifting services into natural environments and what is that timeline?
